

SHAYNE JOHNSON

TECHNOLOGY CONSULTANT | SOFTWARE DEVELOPER
PLATFORM BUILDER | GRAPHIC DESIGNER

IDEAS | DESIGN | TECHNOLOGY | REAL SOLUTIONS

I build practical technology solutions that help people, businesses, and organizations solve real problems. With a unique combination of software development, design, customer experience, and business strategy, I take ideas from concept to fully functional platforms.

UNDERSTAND
THE PROBLEM

DESIGN
THE SOLUTION

BUILD
THE TECHNOLOGY

CREATE A BETTER
USER EXPERIENCE

DELIVER
REAL RESULTS

*"I want to build technology
that creates opportunities,
solves real problems, and
improves lives."*

— Shayne Johnson

SOLUTIONS

TURNING IDEAS
INTO SOLUTIONS
THAT MAKE A
DIFFERENCE.

PROBLEM SOLVER

I analyze challenges and design practical technology solutions.

PLATFORM BUILDER

I turn ideas into working software, digital products, and scalable platforms.

DESIGNER

I create clean, modern, user-friendly designs that make technology easy to use.

PEOPLE FOCUSED

My customer service experience helps me build products that solve real user needs.
